# WELCOME TO SKT INTERIOR STUDIO

we are based in Kolkata but  
maintains no Boundary. Client  
out-most satisfaction is what  
we care the most.

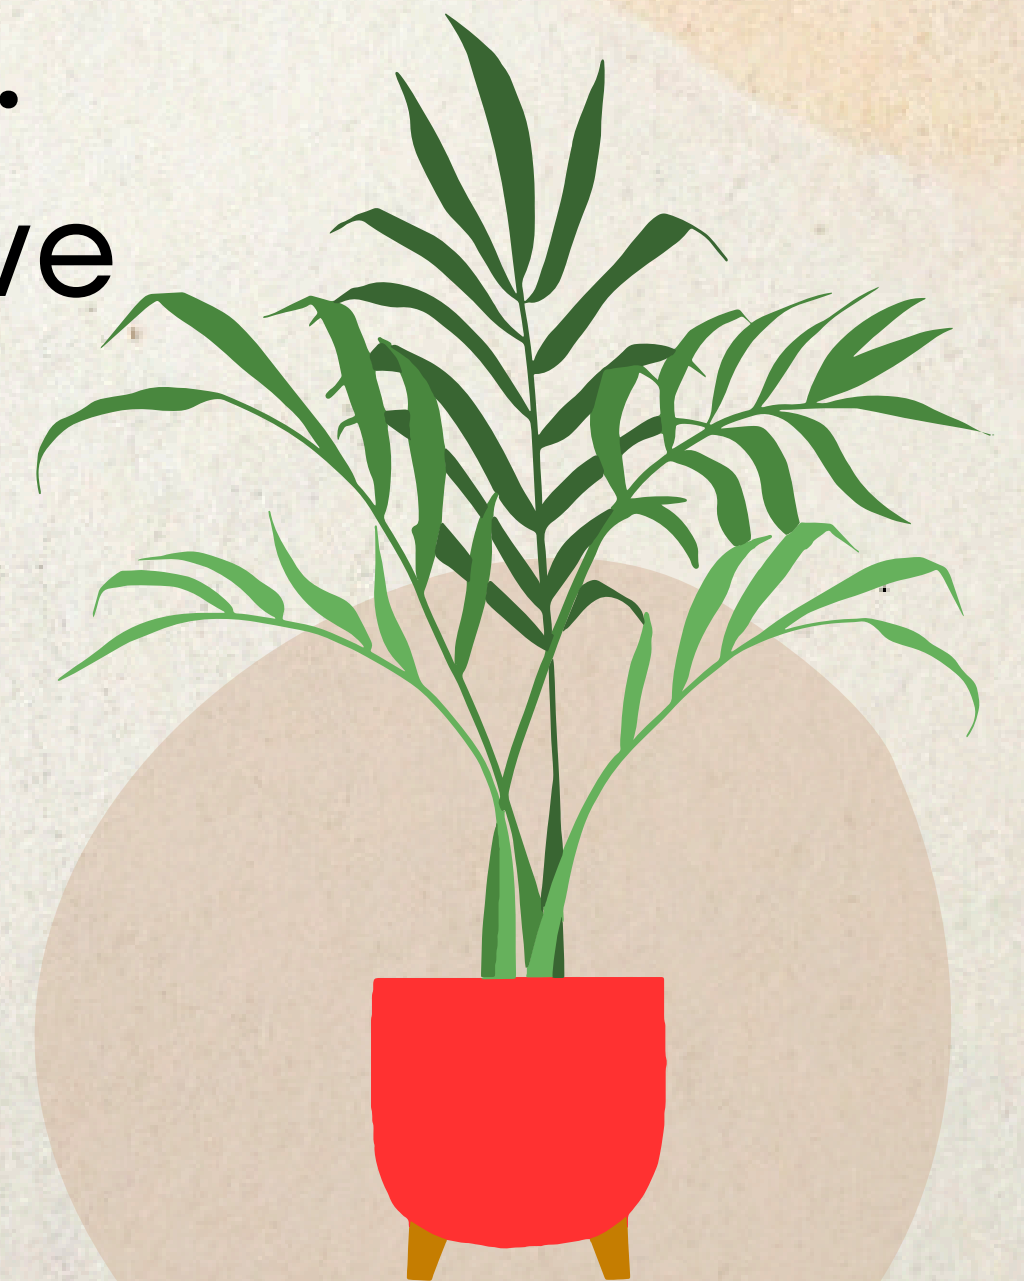

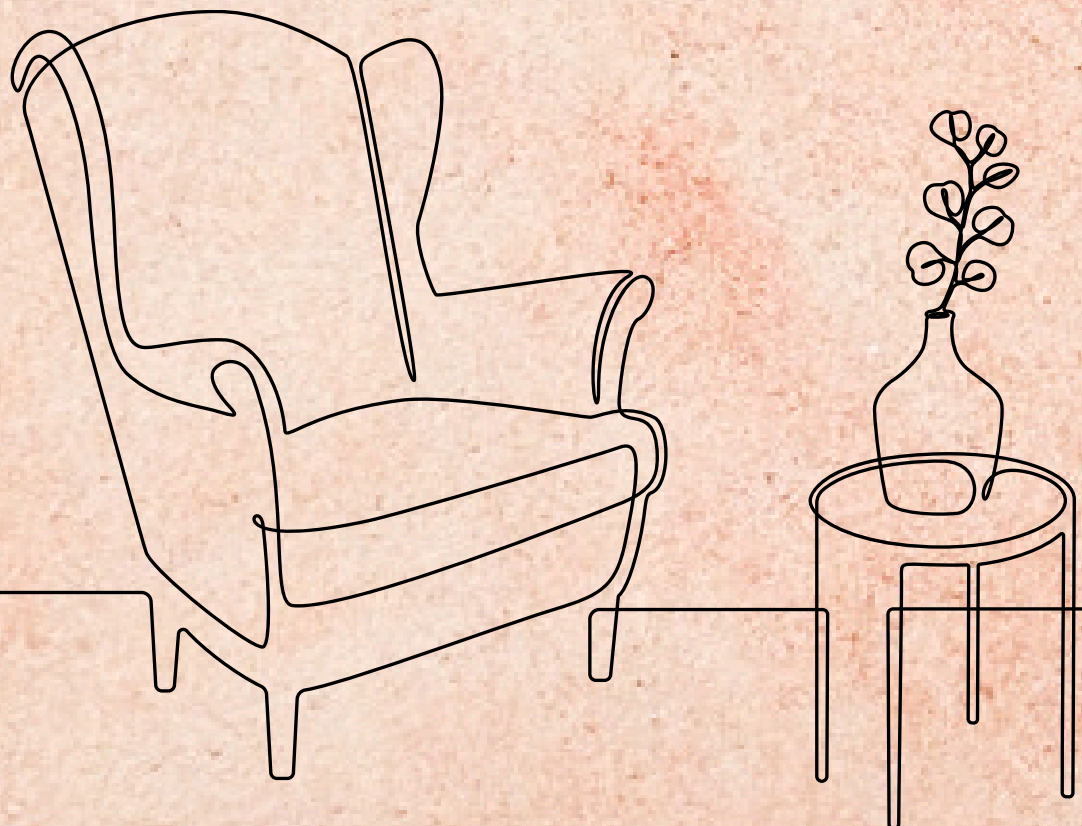

# “Thoughtful Design for the Way you Live”

“Thoughtful Design is our Guiding Philosophy, We create Use of space Management & Innovative Designs that reflects your Persona.

# Something About our company

Incepted in the year 2022 "SKTIS"  
gained experience both in Residential  
as well as Commercial Projects.  
Flexibility plays a key role while we  
deal our clients.

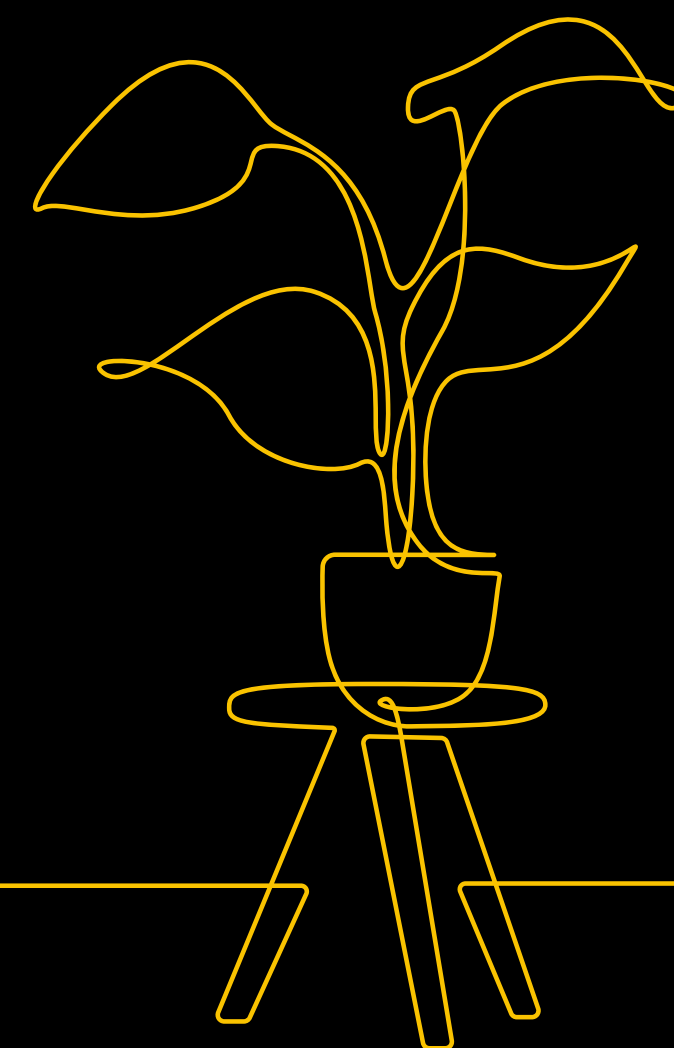

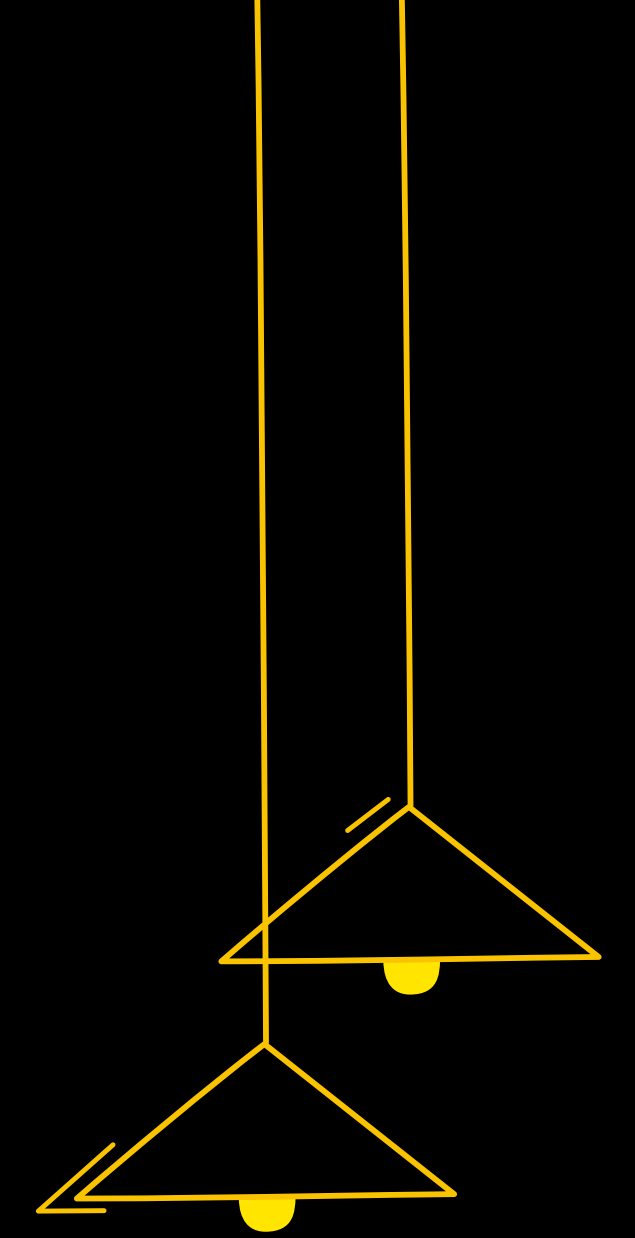

# SOMETHING ABOUT OUR COMPANY

We have relationships with many local craftsmen and subcontractors, so you can be assured that your project is completed with the highest standards & on time

# OUR COMMITMENT

We are committed to deliver  
the Best in terms of Quality,  
quantity, deliverables &  
dedication

## Design Development

Making new OR transforming to new , Our creative team always leaves a Long staying positive impression .

## Remodeling

We are never happy with less..when it comes to building and nourishing a dream as passionately as you.

## Space Planning

We don't limit our-thought between the wall, Lets make it BIG with or without moving walls.

## Project Management

We will ensure 360 degree assistance and shall hold your hand from Pre to Post completion of your project.

## Material Selection

Right Material at the right place..be it Floor, Roof , Cabinet, Lights, Furniture, etc. we are never far to be called .

## Modular Kitchen

Traditional to Contemporary, right Kitchen Planning always makes your kitchen space more functional.

## Colors & Finishes

We will help you identifying and choosing your personal color palette and incorporate it tastefully into your home design via paint, wallpaper, textiles and faux finishes

## Furniture & Lighting

Whatever your style or price range, we know where to find the cool stuff!
